Our Chilean King Crab Meat (Lithodes Antarcticus) is the packed from crab caught in cold pure ocean waters off the coast of southern Chile. The brilliant bright red and pure white colors of the meat, its naturally buttery sweet succulent flavor, and incredible texture is an epicurean delight.

Chilean King Crab Meat is packed in three layers with merus meat on the top, claw meat & broken leg meat in the middle, and body meat on the bottom.

All natural product with no chemical additives or preservatives.

Ingredients: Crab, water, salt
